

Vassar Township Notification

- Intended for residents located in Vassar Township

Vassar Township in conjunction with Republic Services is pleased to announce an expanded solid waste collection program for the Township Residents that includes a cart for each and every household for the containment of their solid waste.

How will this system work . . . ?

Republic Services will provide each household with a 96-gallon curb cart that has the capacity of (3) 32-gallon trashcans. On your collection day, simply place your Cart at the curb with the handle facing your house. Make sure you have a minimum distance of four feet away from other objects such as mailboxes, parked cars, and even your bulky item. Republic Services new automated collection truck will then pick up the Cart, empty it, and return it to its original location. It's that simple!

Solid Waste Collection . . .

Curb Carts should be placed at the curb **NO LATER than 7:00 AM** on your collection day. If you have more waste than what your cart can handle, please do not place it on top of the Cart. Either save it for the next week or ask if your neighbors if they have more room in theirs. Should you perpetually generate more than the contents of one cart, additional carts are available for lease. Call Republic Services Customer Service for details.

Cart Care . . .

With the right care your new Cart will last for many years without needing maintenance. Please use trash bags to contain your waste inside the Cart. This will reduce periodic cleanings for the Cart. Your Cart has smooth surfaces that allow it to be easily cleaned with a regular garden hose and dishwashing soap. Do not place hot ashes, construction debris, and/or hazardous waste in the Cart. Please do not paint or write on the Cart. Each Cart is labeled with a serial number. Residents should take note of the serial number of their specific Cart. If it is lost/stolen, please provide this number to the police, then provide a copy of the police report to Republic and they will provide you a replacement at no additional charge.

Moving . . .

If you move, do not take the cart with you. The cart has been assigned to the property address along with the serial number and should be available for the next occupant/owner of the household.

Prohibited Items . . .

Items prohibited are: large quantities of dirt, sod or rock; hazardous waste of any kind; liquids of any kind including paint; flammable materials such as oil, or gas; concrete, hot ashes; yard waste of any kind; large amounts of remodeling or demolition materials; whole tires or any other material to be determined as prohibited by State Statute.

Holidays . . .
